

YARRABEE GARDEN & IRIS

POND PLANTS LISTING – RETAIL 2015/16

Please find attached our latest water plant catalogue. We have introduced a few new varieties this season, some in limited quantities at this stage.

Some plants available now, most plants will be available from October, depending on variety and weather.

Other Water Plants also available – please enquire if you are looking for a specific variety

Please do not hesitate to contact us if you require further information.

Cheers

Barb and Steve Ward
